À PROPOS DE BIOCORP

Recognized for its expertise in the development and manufacture of medical devices and delivery systems, BIOCORP has today acquired a leading position in the connected medical device market thanks to Mallya. This intelligent sensor for insulin injection pens allows reliable monitoring of injected doses and thus offers better compliance in the treatment of diabetics. Available for sale since late 2020, Mallya spearheads BIOCORP's product portfolio of innovative connected solutions. The company has 63 employees.

BIOCORP is listed on Alternext since July 2015 (FR0012788065 – ALCOR).
